Q & A

Why we're here...

State Employee Health Plan members will soon have access to Castlight, a **personalized healthcare one-stop-shop** that will help eligible members and their families understand their options, save money, and make smarter healthcare choices.

Why is this important?

Let's say you need an MRI...
How much do you think it will cost you?

All of the above!

*Every day, we could be paying more than we need
to and getting less than we deserve.*

Introducing Castlight Health

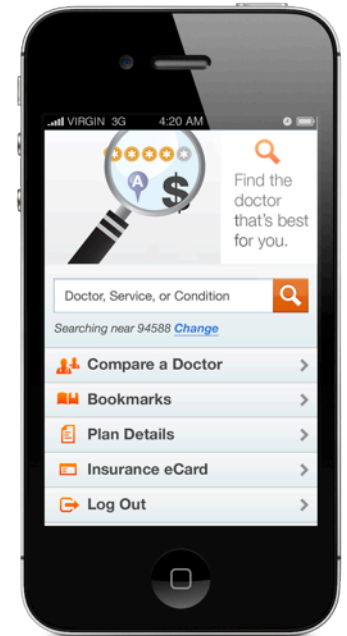

Understand your options for in-network doctors and medical services in your area.

See estimated prices to understand what you might pay.

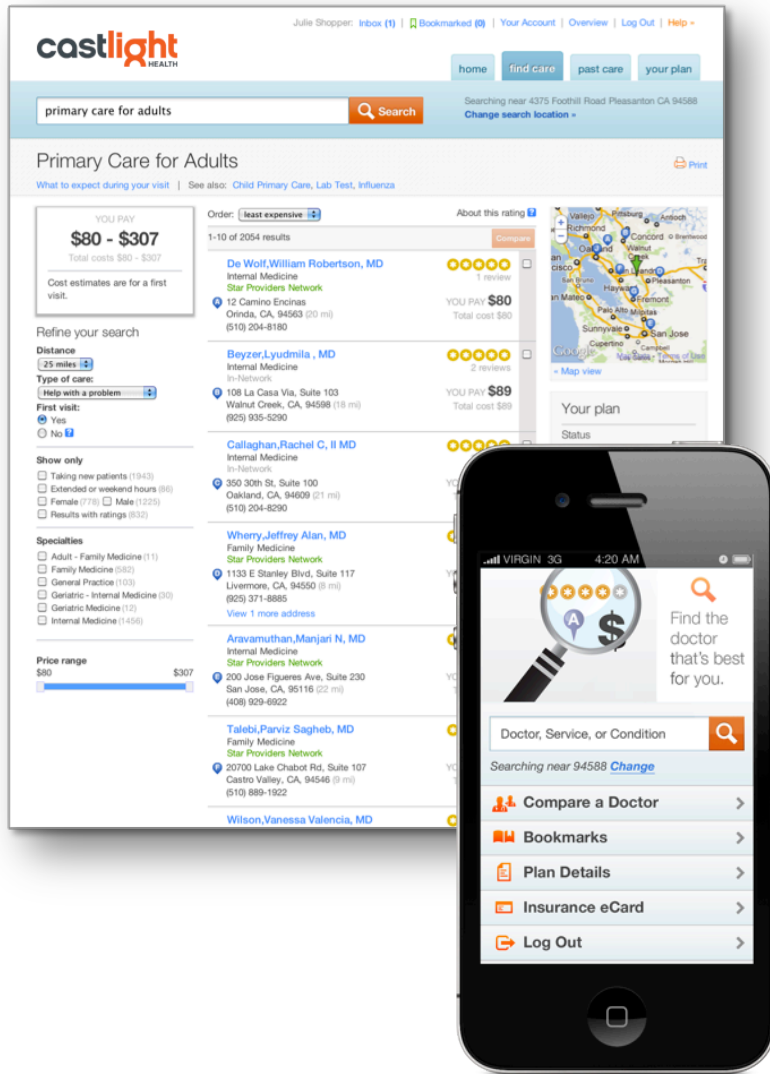

View information on quality and patient experience to understand how your different provider options compare.

Review your past medical spending in a SEHP plan so you know how much you paid.

Receive recommendations on ways to find high-quality care and be an informed healthcare consumer.

The Castlight experience

Search for:
